

**TOWN OF NORTHFIELD
BOARD OF SELECTMEN
Budget Meeting #7
Minutes of January 8, 2007**

Chairman Donald Wallace opened the meeting at 8:02 p.m. Also present were Selectmen Kenneth Johnson, Roger LeClair, Michael Demasi, Melvin Adams, and Manager Nanci Allard.

The purpose of the meeting was to continue review of the proposed budget for the ensuing year.

Listers budget: Chairman Wallace advised the members of the Board he had a meeting with the Listers regarding the proposal to create the position of Property Records Clerk. The Listers are not in favor of that action.

Cemeteries: As there is no more information from the Northfield Falls Cemetery Association, the Board will not take action at this time on the verbal request for the Town to assume the care of that cemetery.

Brown Public Library: Selectman Adams advised the members of the Board the Library has agreed to reduce their request by \$1,300 so the Town will pay their phone bill. \$1,300 will be added to the Town's budget. In the event, the costs exceed \$1,300 the Library will be responsible for those additional expenses. The Town will notify the Library when and if that occurs.

Capital Improvement Plan: After a short discussion, the members of the Board voted to revert to the original budget as presented.

A motion was made by Selectman Demasi at 8:45 p.m. to adjourn, seconded by Selectman LeClair. So moved.

Respectfully submitted.
